LSS Online launch

If you've tried to access Lawyer e-services lately, you'll know it's been shut down while we prepare to launch the new LSS Online portal for lawyers on **April 27, 2015**. Only Criminal Case Management lawyers can use Lawyer e-services until then.

We thank you for your patience while we transition to the new system.

In the meantime, you can prepare for using LSS Online with these [training videos and user guide](#). You can even get Continuing Professional Development credits with the Law Society of BC for doing the training!

Staged access to LSS Online

If you're planning to access LSS Online on April 27, we'd appreciate if you could log in to the system at the times set out below. This will allow us to monitor the new system and respond to your questions in a timely way.
