### JITI update — Expanded Family LawLINE pilot project

LSS is inviting qualified family lawyers to apply to deliver legal services for our Expanded Family LawLINE, a pilot project under the Justice Innovation and Transformation Initiatives (JITI). The project is an enhancement of the current service delivery model and will provide better support to clients. (See the [July LAB](#) for more information.)

We'll be selecting roster lawyers to fill approximately 15 part-time contract positions. For more details, see the [contract opportunity](#) posting on our website. Please feel free to share this opportunity with your family law colleagues.

### New immigration and refugee law practice resource

Legal Aid Ontario LAW's digest *The Bottom Line*, a weekly summary of new cases in refugee and immigration law, is now available to LSS lawyers taking refugee and immigration law referrals. Find out [how to subscribe](#).
